List #374JT

This home has been totally remodeled down to the studs. The main floor has 2 bedrooms, bathroom, kitchen/dining, laundry and a cozy sitting area that could also be used as a dining room. The basement has a large family room, sleeping room and a utility room with room for a bathroom if wanted. The exterior of this home is also completely redone with new siding, windows and a new deck! The corner lot gives the opportunity for plenty of parking. You can design your garage, carport and yard to fit your needs! This is a must see home to appreciate all the details!

- Refrigerator, stove, dishwasher, 2 chest freezers, washer, dryer
- Built in fireplace in family room
- Large master bedroom with walk-in closet
- Lots of built in storage
- Large utility room –with room for a bathroom
- Front patio area with a new deck
