List #203PA

Nestled on 16 sprawling acres, this custom-built 3-bedroom, 2.5-bathroom home combines rustic charm with modern craftsmanship. Built in 2021, the home features stunning natural wood details throughout, from the grand beams to the polished finishes that accentuate the warmth of wood heat. An open balcony overlooks the main-floor living room, providing breathtaking views of nearby mountains through large windows that flood the home with light. A cozy loft with a sleep area leads up to the charming cupola, adding a unique touch to the home's design. The property includes metal siding and roof. A 22 x 28 shed with an 11 x 28 lean-to, both equipped with frost-free water, offering functionality and convenience for outdoor projects or storage. With a blend of nature and comfort, this home is a perfect retreat for anyone looking to enjoy the peace of country living.
